**Thank you Toronto Alliance for the Performing Arts,
Dora Mavor Moore and the Dora Awards Jury!**

2025 Dora Awards nominations for Lina Cruz in two categories for her solo Tomato Blues:
Outstanding Original Choreography
Outstanding Performance by an Individual

Congratulations to all the recipients and nominees!

A special thank you to Moonhorse Dance Theatre and their series Older & Reckless,
what a joy to have been part of their 2024 edition!

Back on stage! - Being at the head of Fila 13 Productions and focused on creating works for the company, Lina Cruz had been progressively taking distance from her own performance. An invitation in 2024 to perform the solo Tomato Blues in the series Older & Reckless, produced by Moonhorse Dance Theatre, offered Lina an exciting adventure. The opportunity to rediscover the pleasures and challenges of the stage are a gift she welcomes wholeheartedly!

This return to performing herself, brought Lina Cruz the wonderfully rewarding surprise of the above mentioned nominations to the prestigious Dora Awards. Her renewed activity as a dancer-performer has continued thereafter.
